home phone

Why a Personal Statement?

These questions are intended to be answered by campers with the help of their caregivers. By sharing your experience, families can demonstrate the value an awarded scholarship would bring. This exercise is also a wonderful opportunity for caregivers to discuss with their campers what they may gain from involvement with the performing arts and HTA.

Personal Statement Prompts:

In a word document or on the back of this page — **please respond to one prompt from section A and one prompt from section B.** Satisfactory answers will be 200-500 words max. To submit your scholarship application for consideration, please email your application to **atru-education@auditoriumtheatre.org.**

Include the name of your camper and the phrase "scholarship application" in the subject of your email. Applications can also be mailed to the address found at the bottom of this page.

SECTION A:

1. If you have not previously attended HTA:
How would a scholarship be beneficial to your family?
What do you hope to experience?
2. If you have previously attended HTA: How
have you found the camp to be beneficial?
What relationships or experiences keep you
coming back?

SECTION B:

1. What is your favorite subject in school? Why does
it excite you? Who or what do you turn to when you
want to learn more?
2. Some campers already have a background or
interest in the performing arts. If this sounds like
you, then please share your story. Why do you enjoy
performing? What or who do you turn to when you
want to learn more?
